General Information

Purpose of Trojan Belles

The purpose of the Trojan Belles Dance Team is to encourage quality performance, high academic standards, loyal school spirit, and high personal values among its members. Trojan Belles Poem

Recited by the team before every performance

Thank you for each girl here,
Help her realize that she's dear.
Let each girl know that we all care,
And problems we will gladly share.
We are a Trojan Belle family,
We love each other equally.
Through every trial and every test,
Help the Belles to do their best.
In all we do we will prevail,
For as a team **WE CANNOT FAIL!**

Welcome to Trojan Belles!!

When a girl becomes involved in the Anderson HS Trojan Belles, her entire family becomes involved – as supporters, spectators, and helpers. Belles demands a lot of time, money, and emotional involvement, but we know you will find it a rewarding and enriching experience.

TIME: Your family's schedule will have to be adjusted to accommodate your daughter's commitments in Belles. **This is a team activity, so each girl must be present for every rehearsal and performance in order for the team to be at its best.** If one girl is late, the rest of the team is often left waiting. Parents will also be asked to give their time to sew costumes, cook or bake for special events, volunteer for various committees throughout the year, and perhaps most importantly, attend as many of the Belles' performances as possible.

MONEY: Every effort is made to keep expenses reasonable, but there are considerable costs associated with Belles. In an effort to ease the individual financial burden, the Trojan Belles Booster Club participates in fundraising to help defray over \$40,000 in team expenses. Each girl and her family must support these events by giving their time and talent because each family directly benefits.

EMOTIONAL INVOLVEMENT: Each girl will have her triumphs and disappointments in Belles and the love and support of her family will be important to her. Celebrate her triumphs – she worked hard to earn them. Console her during times of disappointment. Remember, learning to deal with frustration and pressures are part of her maturation process. Your positive attitude will influence your daughter's reactions to her experiences.

COMMUNICATION: You and your daughter should always address concerns with Kayla Orton, Belles Director. Many problems arise from simple misunderstandings and there are always improvements to be made. Communication is the only way to reach a solution. As a general rule, we encourage Belles to communicate (via phone, email, or in person) directly with the directors if they have questions or concerns. This is not to say we don't value parental communication and support, rather we wish to encourage responsibility in our Belles. *****If a parent requests a meeting with the directors, it will be held with the Belle, both directors, and parent(s). This a policy to ensure quality communication between all parties involved.**

As each of you is a part of the Belles family, Belles is also a member of your family. Cherish and protect your place in our family – your words and actions not only affect you but also reflect our team image. We are a big family and must consider what is best for the individual while recognizing that we must always consider what is best for the whole. What might not be a problem for one person could be a nightmare if everyone did it. We must all be willing to “give and take” for the greater good of the team. By working together, we will have a wonderful Trojan Belles family.

The Seasons

SUMMER:

Team Camp is June 3-6. This 4-day dance camp is held at Anderson High School. The Belles will learn several of their routines for the upcoming season and will work with several outside choreographers and teachers. This camp is a great time for the new team to gel as a squad before football season!

Officer & Social Officer Camp & training is June 7-10. Most years the officers attend an intense camp on leadership, technique, and performance in the Dallas area.

Trojan Belles Summer Dance Camp is June 17-20. Each summer we host a dance camp for K-11th graders. This is our largest team fundraiser. All Belles assist with this event.

Team Practices are August 5-9 & August 12-16. These practice times are spent learning new material for football season, perfecting and trying out for fall performances, learning stand routines, pep rally routines/procedures, etc.

FOOTBALL SEASON:

Football Games: We encourage all parents to attend all football games, both away and home. Belles will stay after school on game days, eat dinner, get ready together, and take the bus to and from all football games.

Pep Rallies: Several parents attend pep rallies on Thursday/Friday mornings. Parents have a special section where they tend to sit and video. Due to space limitations during actual pep rallies, Belles and cheer parents are invited to a special parent preview at 8:30am on pep rally mornings.

SPRING SEASON:

Competitions: Dance teams from all over the Texas and beyond compete with one another at dance competitions late January – February. The Belles compete as a team and as an officer line as well as duets, and individual solos. Competitions may take place in Austin, another Texas city, or out-of-state depending on the year.

Basketball games: The team will perform at 2 basketball games during contest season. The games are usually on Tuesdays or Fridays.

Trips: Every three years the Belles take a trip, usually occurring in the spring. Some former destinations have been Florida, New York City, and Hawaii. The destinations are chosen by cost, time, and opportunities for the Belles in each specific city.

Spring Show: An annual production coordinated, choreographed, and presented by the Trojan Belles and the director. Parents play an integral part in pulling off this event: from concessions and ticket sales to producing the elaborate program...everyone plays a part! Spring Show 2020 is currently slated for April 23-25 (this date is not finalized yet).

MONEY HANDLING PROCEDURES FOR TROJAN BELLES ACTIVITY ACCOUNT:

In the event the Belle Director solicits booster assistance in making purchases on behalf of the Belles organization, the following guidelines must be adhered to:

Purchases Made on Behalf of the Trojan Belles

Prior approval is required for all purchases. School checks must be cut directly to the vendor/business therefore it is necessary to plan well in advance of the date when the purchase is needed. Reimbursement is a last resort and may be used only in instances where prior approval has been granted. Remember, **AISD cannot reimburse sales tax** so please pick up a tax-exemption form if you need to make a purchase. This form can also be found at www.trojanbelles.com

In the event you need to submit an approved reimbursement request, please submit original itemized receipts only and attach the Reimbursement Request Form found on the Belles website (Handouts page). Photo copied receipts are not accepted by the bookkeeper.

The Trojan Belle Booster Club

The Belles Booster Club actively supports the Belles program; the Belles, the Directors, and all Belle activities.

SOME of the things the Boosters do include:

- Sponsor a summer kick-off party for Belles and their Families
- Organize and facilitate fundraisers: kiddie camp, spirit fest, poinsettia sales, and more!
- Provide snacks at practices, meals on game days and spring show rehearsals/shows, and many other spirit and social events
- Communicate valuable information to Belle families throughout the year
- Boosters try to sit together at football games and contests to cheer for the Belles, and provide moral support when needed
- Assist with organizing, mending, and sewing uniforms and costumes
- Assist the Belles with game day, contest, and spring show preparations
- Funds all spirit, social events, and the end of year banquet

The Belles Booster Club provides all of these services to benefit ALL BELLES.

WE NEED YOU... (More importantly, your daughter needs you)!

**Please join the boosters and volunteer for a committee, we'd love to have you and it'll be
FUN!**

Booster Club meetings are in the Anderson cafeteria, and all members are requested to attend. Dates and times are on the Belle's website: www.TrojanBelles.com, found on the "For Belles & Boosters" Page under the "Calendar" tab.

For more information about the Belles Booster Club...please contact our 2019-2020 Booster Club President, Monika Wilson.

Policies & Expectations

Trojan Belles Expectations

Trojan Belles are expected to follow all rules and guidelines as written in the Belles and Anderson HS handbook.

- **BE A RESPONSIBLE STUDENT!** Make sure you are aware of the academic policies in the handbook. You are expected to take the initiative to come to the director BEFORE you find yourself in a serious situation with grades. We will work with you and allow you to go to tutorials if you have exhausted all other resources. Academics comes before Trojan Belles, and we would much rather you miss a couple of weeks of football season to pull a grade up, instead of sitting out an entire 6 weeks or being dismissed from the team. Make up your work/ go to tutoring during lunch, FIT, or after school. Teachers WILL work with you if you are a hard worker. If a teacher cannot give you a makeup any other time than practice time, you do run the risk of being cut from that week's performance. **You will need to have your teacher e-mail the directors explaining that no other time could be found for the makeup. Failure to do so will result in a demerit.**
- **BE A RESPONSIBLE TROJAN BELLE!** Know your deadlines, what to bring every day, and what you should be wearing. If you stay organized, there should be no reason for you to receive demerits. If you are ever in doubt, call your social officer or officer. Be responsible with the handouts that are given to you. Make sure that you are giving the appropriate forms to your parents when necessary, hand forms back in on time, and update your Trojan Belles calendar as needed.

Because we all want to be a part of a very successful dance experience, it is important to realize and understand the ground rules that must be followed when 30+ girls are involved. Unfortunately, some girls think that the rules don't apply to them. But, in large groups, success depends on all of us pulling together in the same direction, at the exact same time, in the exact same way. That is why we are called a TEAM! Rules work best when everyone knows them, understands them, and most importantly, follows them. When this occurs, the group is empowered by a common vision. We hope that you find the rules strict, but logical; for if you do, we are in for an incredible year!!

Everything you say, everything you do, reflects on you, your family, and the organizations you participate in therefore your actions are put through a test everyday by others. Remember – ***actions DO speak louder than words.***

- **BE A RESPECTFUL STUDENT!** One of the most important qualities in a Trojan Belle is respect, and you are expected to exhibit this at all times. The faculty and administration should be able to count on the Trojan Belles as leaders and role models at Anderson, and we also expect you to behave in an exemplary manner that supports the reputation of our dance team.
Make sure you get your schoolwork DONE, especially during our hectic times of the year. Never sleep in class, have your phone at when you are not supposed to, roll your eyes, etc. and do not disrespect your teachers. Always use your "yes ma'ams" and "yes sirs!" **Do not use Belles as an excuse to get favors out of your teachers** (i.e. tardy to class, late papers, etc.) We expect you to hold yourselves accountable for the rules of the Anderson HS handbook, as well as ours.

- **DO NOT GOSSIP!** Every person has passed on gossip, and every person has been hurt by it. If we want to be a family we cannot afford idle words. *Be careful of your words and protect your thoughts. So often your thoughts change without benefit of taking your words back.*

There are years where the team is a “kinder, gentler” group of young ladies, and those are the years that bring back the most incredible memories for everyone. Acceptance of others in a group this size is a tall task that we can tackle if we want to. We will be close if our hearts are big and our spirits forgiving. When starting a conversation, always ask yourself, “If she walked into the room, would I continue to say these things?” If not, then you should reconsider the benefit of the conversation.

- **SOCIAL NETWORKING:** Facebook, Twitter, Instagram, Snapchat and whatever they think of next(!), are a regular part of our daily lives. There are many positive benefits of social networking including its ability to connect us with friends, family and acquaintances across the globe. We are able to share our memories, photos, and our every waking thoughts with anyone willing to follow us. The negative side of social networking is the false sense of privacy and the false sense of confidence we feel in typing words we might never say in real life. Please consider the image you portray through your wall posts, statuses, snap stories, & picture comments regardless of who is and isn't on your Facebook friends list. Refrain from negative comments about Belles in general or about your teammates. Do not use profanity or vulgar language or post photos ANYWHERE that could damage your reputation or our team's reputation (ex: PDA with boyfriend, etc). You are held accountable for your virtual words, images, and actions just as you are in person. You are part of a TEAM and we must be united in our goal to be classy young ladies and positive role models.
- **TALK TO YOUR DIRECTORS!** Please feel free to visit with us if you think that by sharing your feelings we will gain insight on problems that may be occurring on the team, or even your personal concerns about a situation. It is important to communicate, even though it may not be the easiest thing to do. We definitely don't need to know about every small argument that occurs, but if you feel like we should be aware of something, please let us know. We may not be able to fix the problem, but if we don't know it exists, there is no possible way we can even try to fix it!
- **WORK ON YOUR DANCE SKILL!** Every dancer comes into Belles at their own level of technique and training. From there, it is up to you to apply yourself & work your hardest to be the best dancer you can be. Your work ethic will directly impact your improvement as a dancer and performer. Seek out opportunities to train outside of Belles (weekly dance classes and special conventions and camps). There is no such thing as a perfect dancer and there is always room to grow if you give yourself the opportunity to do so. To improve as a team, each member must be willing to do her part as an individual. When a new dance is taught, you are expected to work on it outside of practice to commit the routine to memory. When we clean, polish, and make changes, pay attention and be adaptable. Whenever there is free time, such as after water breaks, go over movement that you are struggling with. Don't be afraid to ask your directors, officers, or fellow team members for help. If you don't make a dance, **ALWAYS** keep working your hardest on the side. You never know when a spot might open up – you will want to be ready to be pulled in!
- **ALWAYS GIVE 110%!** We expect this in your attitude, your moral, and your work ethic. The atmosphere of any activity you do is affected by your attitude. As your directors, we promise to give you our very best energy as well as a positive and motivating attitude in practice. We expect the very same from all of you. We promise to push you to be your best and will give you constructive feedback along the way. There is a tradition of excellence and high standards in our organization, and we must work together to keep this tradition going. We expect you to dance your hardest every day and never settle for “good enough.” Encourage your teammates. Look for opportunities to pat each other on the back or cheer for the team as a whole. Your positivity will go a long way towards boosting moral.

Important Policies

GRADING POLICY

YOUR TROJAN BELLES GRADE IS MADE UP OF:

1. A daily grade is based on participation (on time, on task, giving full effort)
This grade will be a base grade of 100. If a Belle receives a demerit during the grading period, 5 points per demerit will be deducted from the base grade of 100. For grading purposes only, demerits can be worked off by earning merits (1 point per merit). The daily grade returns to 100 at the beginning of each grading period. Once a merit has been used to replace demerit points, it is permanently deducted from the overall merit count.

REHEARSAL RULES

1. If you are not at rehearsal, you should not expect to perform.
2. A member must be present at all rehearsals from Monday through Friday, regardless of making the dance, unless previous arrangements are made with the director.
3. If a member is absent or tardy to a rehearsal, performance or work session, she is held responsible for all announcements, information missed, and deadlines.
4. A member may be pulled from a performance due to missing a practice depending on the circumstance, time of year, and proximity to the performance.
5. You CANNOT miss a Thursday or Friday rehearsal during football season and still perform UNLESS there is an extenuating circumstance (i.e.- field trip, funeral)
6. If possible, any member who is ill should come to rehearsal to sit and observe, otherwise, it may be necessary to remove her from the number since it is hard to rehearse with “holes” and catch up with changes made.
7. Sitting out for illness or injury during a rehearsal may result in being pulled from a performance. If a member is truly injured or ill, it is in her best interest and the team’s that she not rehearse or perform until she is well.
8. Work cannot interfere with scheduled rehearsals. Work is not an excused absence from rehearsal or an excuse to leave early or arrive late.
9. Regular doctor, dentist, or driving exam appointments should not interfere with any rehearsals scheduled. These appointments are not excused. Emergency appointments are treated with an exception.
10. Family vacations should not be scheduled during Belle functions, rehearsals or performances. There will be extreme consequences for missing these rehearsals. We must do this to protect everyone’s time. If you are absolutely unable to participate in an event, it is required that you give the Director notice two months in advance.
11. College visits must be approved 3 weeks prior to the date you will miss. Failure to give a timely notice will result in 2 demerits. College visits may not take place during contest or spring show week(s). You must provide documentation if you are notifying Mrs. Orton of a new conflict to a college after the 3-week mark (it must be an acceptance event, not just a visit). There are multiple opportunities to visit colleges (nearly one a month) so we expect that you take advantage of those times provided.
12. We expect you to fully dedicate your time during rehearsal to Belles. No breakfast, homework, or studying will be permitted during the scheduled rehearsal hours. This includes warm-up. We expect you to be ready to go when you arrive. Warm attire should be a pullover, zip up jacket, and sweatpants. No PJs or excessively oversized clothing.
13. Extended periods of absence will result in being placed on probation from participation on Belles. This could include being pulled from as many dances and/or performances that Directors see is best for the team as a whole. The Directors have the full discretion to decide how long the member will be on probation, based on the health and best interest of the entire team. In these cases, the Directors may present the member with a contract that will allow her to earn her way back onto the team.

PERFORMANCE RULES

1. Absence from part of summer camp/summer rehearsals or other required rehearsal or event. If a Belle chooses to miss team camp, she will not participate in one game for each day missed.
2. During football season, Belles must be present for the entire game (including any post-game performances that may occur). The **ONLY** excused absence for leaving after halftime is for the ACT or SAT, and Belles are required to give a parent note stating they will be leaving early. This will be **STRICTLY** adhered to, and if this rule is broken, there will be a performance penalty given at the discretion of the directors.
3. During football season, if a circumstance comes up and a Belle has to miss a game, she will be expected to sit out the next half-time performance.
4. The director makes the final decision on who makes each performance. The officers assist in taking notes and recording corrections so that the individual team member can receive the very best feedback. The officers do not pick who makes the dances.
5. A member can be cut from a dance at any time for the following reasons: lack of memory, technique, projection, flexibility, coordination, strength, endurance, or if they are not maintaining the polish.
6. A member can be cut from a season (spring show, contest, etc.) if she is unable to be present for **ALL** performances scheduled.
7. All Belles must ride the bus to and from all football games and other applicable performances (ex. Competition trips, etc.)
8. Belles should never complain about where they are placed in a formation. The bigger picture is that you are on this team. Dances are not always placed with seniority in mind.
9. Any member put on probation is subject to a performance penalty to be decided at the discretion of the directors.
10. Any member that becomes injured enough to consistently miss rehearsal and affect their performance of herself and the team may be pulled from the performance by the directors. These situations will be handled on a case by case basis. Factors such as proximity to the performance, severity of the injury, and availability of alternates are considered.

“It may seem easier for our life to remain constant. But change, really, is the only constant. We cannot stop it and we cannot escape it. Change is the engine of growth and the muse of creativity. Change makes the adrenaline kick in and motivates us towards achievement.”

Audition Processes Through The Year

There are several times throughout the year that we will hold auditions for various dances. Football halftimes, pep rallies, competition pieces and spring show dances will all have separate tryouts. **HOWEVER...**there is no tradition to our method. The directors reserve the right to change what pieces will be auditioned from year to year.

In auditions, the following elements are assessed:

- **technique**: arm placement, use of center, use of spot, toe point, body angles, overall extension
- **execution**: knowledge of CORRECT execution of movement must be exhibited, control of energy
- **strength**: power of execution, use of plié, relevé, and sauté to utilize strength, use of floor space while dancing
- **flexibility**: technique and extension of splits, extension and height of kicks and leaps
- **memory**: knowledge of steps and confidence with execution of movement in the correct placement using correct pathways
- **performance ability**: use of style in movements that is specific to the TYPE of dance being performed, performance energy and attitude/expression appropriate for the style/theme of dance

All Belles practice all routines for all performances even if they do not hold a spot in the formation. At any time, a performer can become injured and the need for an alternate dancer will arise. The Belles that work hard on the sides and improve on the dances will always be considered for placement in a routine **if an alternate is performance ready.**

All Belles are an important part of the **TEAM**. If a Belle is not dancing in a given performance, she still plays an integral role in the success of the routine by being the Belles' version of the "12th Man."

If a Belle is absent from learning any company tryout dance from a choreographer she will not be eligible to audition for that routine. There are no make-up auditions after auditions have been completed (football, contest, or spring show dances), therefore if you are not present you are not eligible to be selected to perform. Even if a Belle makes an auditioned piece, if she is not present when we are placing the routine, she will be removed. All of these rules apply, even if this absence is excused.

Eligibility

WHAT HAPPENS IF I FAIL A CLASS?

1. All members must pass all of their classes to be eligible to perform, as mandated by the state of Texas.
2. Failing consists of a grade below 70 for regular classes and below a 60 for honors/Pre-AP/AP classes.
3. Failure to pass all classes will result in a three to six-week ineligibility period, as mandated by the state of Texas.
4. If after three weeks the member is passing all classes, the ineligibility period is over, as mandated by the state of Texas.

From the Austin Independent School District Student Code of Conduct:

A student must be placed in a Disciplinary Alternative Education Program if the student commits any of the following offenses on school property, including a parking lot, parking garage, or other parking area owned by the school district, or on a school bus, or within 300 feet of the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off of school property [TEC 37.006]: Selling, giving, delivering, possessing, using or being under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense; selling, giving, or delivering an alcoholic beverage; possessing, using, or being under the influence of an alcoholic beverage.

First Offense:

An immediate parent conference with the Belles Director and the Anderson Administration will occur. No exceptions. Possession or usage of these substances can have dire consequences for the student and also reflects upon the Belles and Anderson High School.
